## Chapter 1 by Someone

This story is for the use of young writers.

Tip 1. When you are first writing do not re-read or you may find yourself editing when you haven't even finished and that's not exactly a good thing.

Tip 2. If you run out of ideas for a little while try to relax and find your happy place, don't stress the ideas you need will come eventually.

Tip 3. If your grammar turns out terrible and your writing is a mess don't stress, yes some people may be better than you but you'll get there eventually.
